Presidents Report

On behalf of the committee of South Melbourne Hellas Soccer Club I welcome all supporters to our First home game at Middle Park. I extend this welcome to the committee and staff of Sunshine George Cross.

This year is shaping up as an interesting year for Hellas and following the Success of last year there is a great expectation from many people for the club to repeat this Success. However for this to happen a lot of work is needed, not only from our players, coach and committee but also from You The Supporter. **We ask all supporters get behind Hellas and support the Club in every way possible.** We invite you to become Members and we invite you to attend all our social functions. Without your support this year will not be successful.

Finally I remind supporters that in 1989 we are celebrating the **30th Anniversary of Hellas.** Many surprises are in stall for the forthcoming year **and we again ask the Supporter to join in The Celebrations of "30 YEARS OF HELLAS".**

Match Report

Season 1989 started on a high note for Hellas.
The first official game was a Buffalo Cup fixture against Croydon City. Hellas showed that night that 1989 will not be an Anti - Climax after 1988 and that it again will be A Force. It won Convincingly **6:0** with scorers being: **Wright 3, Tsolakis, Trimboli, Mori.**
The first League game was away in Sydney against Frank Arok's St. George. With Paul Trimboli running riot Hellas Beat the Sydneysiders 3:0.
The second game was at Olympic Park against Sydney Croatia which showed how costly the absence of our two Central Midfielders can be. Losing the game in the Midfield consequently led to a 1:0 Loss to Hellas.
Last Sunday Hellas again played at Olympic Park this time against Preston. It was the first time this season Preston had its full squad and despite losing 1:0 at half time it came back with two quick goals in the second game and led to Hellas Second Successive Loss.
